SALEM WINS STATE TOURNAMENT

Salem nosed out Pendleton by a score of 36-30 to win the Finals in the state tournament at Salem.

Butte Falls won their game with Westport 30-28 but were eliminated when they dropped their game to Monroe 38-42.

CAST TO INITIATE NEW CURTAINS

The play cast is working overtime on "That Crazy Smith Family" to be given in the gym Friday night, April 5th.

Mr. Hardin of the Hardin Drapery Shop came out on Thursday to measure the stage and the material for the new curtains. The P.T.A. ladies, who are planning to sew them, met with him to get their instructions. "That Crazy Smith Family" will initiate the new curtains--we hope.

SENIORS WIN INTER CLASS GAMES

An inter class tournament was run off last week to pick the basketball champions of the year. The Seniors came through without difficulty to beat the Freshmen and to take first place in the contest. The Freshmen deserve special mention for having conquered the Sophomore team. Their loss to the Seniors gave them second place honors.

FORMER STUDENT WINS HONOR

From Oregon State College at Corvallis comes the news that Dale Throckmorton, graduate of Eagle Point High School in 1938, won the honor of being elected last year's most promising Freshman by Cauthorn Club of which he is a member.

DISTRICTS DISCUSS NEW SCHOOL LAW

Mr. Davies and Mr. Hay visited the special community gatherings at Shady Cove and Reese Creek during the week of March 11 to 15. The main discussion at both of these meetings was the proposed County School Law. The popular sentiment seemed to be decidedly in favor of the new law.

CONCERTS ARE SUCCESSFUL

The Eagle Point-Gold Hill combined orchestras presented two very successful concerts on the 13th and 14th of March. They were rewarded by a large audience at home here, which brought in approximately twenty dollars from gate receipts. Part of this will help to purchase music for the Ashland Festival and part will be placed in the Student Body.

The program consisted of music

The Eagle's Quill is a student publication, printed semi-monthly by the students of the Eagle Point Schools. The subscription rate is twenty cents a semester or thirty-five cents per year.

Our policy of this year will be: to serve our readers with an accurate account of activities and happenings in our school and community and, by so doing to make friends, to give publicity to students who achieve and, at the same time, to serve as an outlet for student talent.

DO YOU PLANT A GARDEN?

The neighbors can be seen busy at planting, pruning and trimming these days. The urge to scratch in good old Mother Earth is upon us again.

But, trouble, trouble, the neighbor's chickens have the same urge! Only they act like chicks and scratch down most all of what had just been scratched up.

-*! (*!!*) ?!?!*!-*-*!-!!?
 Well, I'm sure glad that is off my chest. And now that the reader understands my viewpoint on this chicken-garden problem, here is the suggested solution:

Each family to have a garden
 Each family to raise chickens
 The chickens are to run loose
 Each family to compose a theme
 of not less than 20,000 words
 on the Golden Rule.

LET'S BE BOOSTERS

Baseball season is rapidly on its way, but where are our championship players? Where are the boys who possessed such enthusiasm last year which resulted in our winning the championship? The former interest seems to have waned.

Say, boys, don't you care anymore about playing baseball and standing a good chance of getting the trophy again? You fellows just seem to sit back and let your subjects float by, all interest in them lacking; you let your grades get low so you can't go out for practice; you just simply are too listless and lazy anymore it seems.

So many of you fellows are always wanting some excitement, some fun, and lots of activities going on around school. If this is what you want, why don't you help to make it? You have to do your part, you know. You fellows are the ones making school like it is. Do you know how you're making it that way? By just sitting back and expecting some one else to create your interest and provide excitement.

You boys know you didn't stand a chance in basketball, but you do have a grand start in the baseball field this year. I'm sure you take some pride in bringing your school to the top. The rest of the school is depending on you and expecting another trophy. Come on, get to work, and get out there and play ball; don't let our faith in you die out. We know we'll see another trophy this year, now let's see you do your part. (J.B.)

There are only eight weeks of school left. Now is the time to start worrying about book reports and unfinished school work. But don't only worry; do something.

PERSONALS

Dea Caster and Edith Hoefft made quite a day of it Sunday with horse-back-riding and skating both. In fact, they seem to be walking rather stiffly today.

Mary Harnish and Audrey Knighton took a miniature trip on bicycles. They rode in the Shady Cove direction about 23 miles and were plenty tired when they got home.

Several students were attracted by the bright sunshine and pretty wild flowers Sunday and indulged in a excursion of walking and flower picking.

Jack Stoner, a former student of Eagle Point, is now here for a short vacation from California.

Buelah Lemon, formerly Buelah Tingleaf of Eagle Point, who resides in Klamath Falls, is now the proud mother of a baby girl. Her sister, June, has been with her for a few days in Klamath Falls.

Gladys Rusho, Leonard Chesnut, Reva Chesnut, and Charles Rusho enjoyed the movie, "Northwest Passage", Saturday night.

Gus Carlson saw the show, "Son of Frankenstein", Sunday afternoon; while Elmer Harnish and Quentin Lewis enjoyed "The Vigil in the Night."

Other students in the audience of "Northwest Passage" Saturday night were Frances David son, Howard Parker, George Jackson, Tom Tieude, Irving Haight, Nellie Jones, and Jessie Beaulieu.

LEAP YEAR

HYMNS LISTED FOR DRIVERS

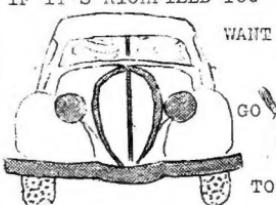

Hymns which motorists should sing while driving were listed by Rev. L.C. Miller in a sermon to his flock at the Manitor Menno-nite church.

"At 25 miles per hour, 'I'm But a Stranger Here, Heaven Is My Home'; at 45 miles, 'Nearer My God To Thee'; at 55 miles 'I'm Nearing the Port and Will Soon Be Home'; at 65 miles, 'Whom The Roll Is Called Up Yonder I'll Be There'; at 75 miles, 'Lord, I'm Coming Home'."

SENIORS

The Senior Class has patiently been waiting for some news to come along. They have finally gathered together enough for this issue of the paper.

Our class, along with all the other Seniors of Jackson County has been invited to attend a Senior Day at the Medford High School on March 29th. Vocations, professions, educations, and plans for the future will be discussed and many view-points given on all sides. A nice day is planned and then in the evening, a dance is given for all the Seniors. We all hope to go and have a good time as well as learn a few things.

Things have been easy in literature lately as well as interesting. We are studying Eighteenth Century literature and prominent authors of those times.

Economics has also held our interest the past two weeks. We discussed the foreign situation and foreign trade very fluently. In fact many times some very fine points open for discussion and debate, were presented. Altogether, Economics has suddenly proved very fascinating.

The Seniors who are taking part in the all-school play, "The Crazy Smith Family", are Elmer Harnish, Jessie Beaulieu, Sandy Clave, Quentin Lewis, and Frances Brack. We are sure it will be good since it is supported by so many Seniors.

GOLD TEAM PLANS PARTY

The losers of the magazine selling contest this year were the followers of the gold team, which was led by David Hannaford.

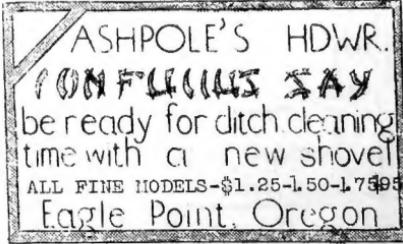

During the past week, the gold team has held secret meetings and everyone's curiosity was aroused wondering what kind of party the green team would get. It has been the custom in the past year for the losing team a party.

Final plans were disclosed this week. They are as follows. The gold team will furnish refreshments for all the crowd and will arrange for all students concerned, to be transported in the high school bus. The bus will take the students to the Jackson Hot Springs and all who wish to go swimming will bring their swimming suits and pay their own admittance. Those who do not wish to swim, may partake of games, walking, or choose other entertainment.

A grand time is expected for all. The faculty and all the high school students are cordially invited to come along and have a lot of fun.

TRACK COMING UP

Once again the boys of Eagle Point High are beginning to think about their chances in track this year; but things don't look promising. In the first place there isn't enough enthusiasm about it to make our young heroes train.

In the past there has been only four letters earned in track these were won by Chuck Sturgle, Harold Grow, Chester Smith and David Hannaford. This year there should be more letters won since the material is better than it has been for several years.

It is hoped that students will take an interest and participate in track. Even if you do lose, it is better to have tried and lost than never to have tried at all.

Advice to broken hearts: It is better to have loved and lost than never to have loved at all.

by the orchestra and a few surprise numbers. Two pieces were sung by the Gold Hill Glee Club; several selections played by the Gold Hill Accordion band; guitar duets by two Gold Hill Boys; a leap year story played by Mr. Millard on his trombone; and a vocal solo by Jessie Beaupieu, "Did Your Mother Come From Ireland?"

March 14, Eagle Point journeyed to Gold Hill to assist them in their concert. The program was similar in nature, with only a few changes.

Mr. Millard gave a short talk on the value of music to be as necessary as the usual other fundamentals of an education.

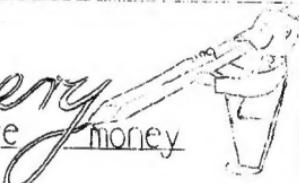

On old St. Pat's day last Sunday, the small town of Eagle Point was calm and peaceful. No wild celebrations took place; no good men of Erin were jailed for being tipsy; in short, it was a calm beautiful day and no disasters have as yet been discovered.

MAYDAY PLANS FORMED

Plans were formulated for the annual Mayday Festival when the teachers of this section of the county met here last Friday. The date of the festival has already been set for Friday, May 3rd.

It was planned to organize the activities along the same lines as those followed last year, which included the crowning of the May Queen and stunts from outlying schools to be performed in the court before the queen. The performers will represent people from many lands, and the maypole will probably be a feature of the activities this year.

Lake Creek, Derby, Brownsboro, Trail, Reese Creek, and Shady Cove have already indicated their intention of taking part.

As on prior years, the occasion will be a general playday and it is planned to finish with a conference baseball game in which the local high school team will take part.

CARNIVAL PLANS ARE FORMING

The spring carnival which was suggested, voted upon, and agreed to by the Student Body, has finally come to the front again as plans for it are beginning to form.

In the last student body meeting it was decided that the carnival will be about April 19th.

David Hannaford, president of the student body, has posted a notice on the bulletin board informing all students who wish to help, to sign their names to the paper. Those who have agreed to helping so far, are: Eddie Dahack, Gus Carlson, Elmer Harnish, Betty Trueblood, Audrey Knighten, Charles Stanley, Johnnie Woodrich, Frances Davidson, Doris Bellows, Leilla McGraw, Jim Short, Irving Haight, Harry Henscome, Leslie Scott, Buck Taylor, Wayne Jackson, George Jackson, Dorothy Young, Carrie Tant, Joan Holmes, Lowell Edwards, Jessie Beaulieu, Mary Harnish, Bee Caster, and May Putman.

MUSIC NOTES

The concerts given by the Eagle Point and Gold Hill combined Orchestras on March 13th and 14th were well attended and greatly enjoyed by the audience. These groups are to put on a concert in Medford in the near future. The date has not yet been set.

Most of the Eagle Point Orchestra members will participate in the Ashland Music festival this spring.

With the arrival of nice weather Mr. Millard, our band director, expects to have the band out on the marching field with several drum majorettes doing their stuff soon.

The worst traffic tangle of 1939 was caused by a lady motorist who signaled right and did so.

Mary H.: be a dress model for the new spring fashions.

Irving: Be a preacher.

Roberta: Be a champion tennis player.

Buck: Be a trombone soloist.

Joyce: Be a sheepherder's wife.

Wayne: Be a kindergarten professor.

Edith: Be a baseball player's wife.

Dale: Get married.

Charles: Be a happy husband.

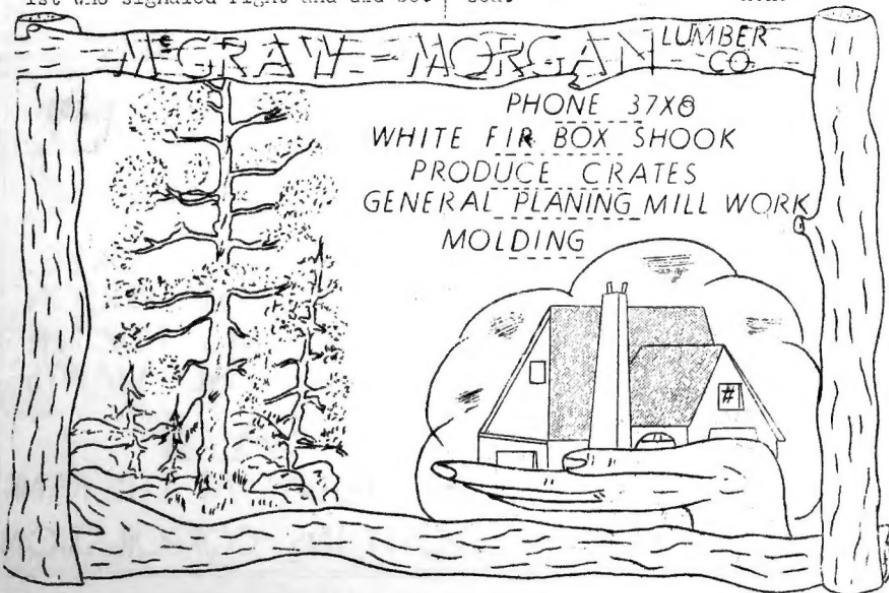

Mary N.: Wants to see if she can't help Charles out.

Betty: Teach Gus how to keep house.

Gus: Teach Miss Olson English.

BASEBALL HOPES ARE HIGH

The Eagle Point athletics in the last few years have lacked that last minute spurt, but last year the unbelievable happened. The baseball team, coached by Mr. Davies, came through to nose out Central Point for the championship of Jackson County. This year we will have the same players back with the addition of young players who will make ~~some~~ of last years regulars get out and hustle to hold down their positions. The leading prospects of the Freshman Class are two south-paws: Howard Parker, who will develop into a good pitcher, and Dean Chamberlain, who will make a classy little infilder.

There are several more who will develop in time, but these

two stand out the most. Last years regulars who will be back are: Dahack, Harnish, Nannaford, Walch, Bellows, Carlson, and Haight.

There are also two new players who will be seen in this year's baseball. They are Sandy Clave and Louis Walch.

The team will again be coached by Mr. Davies.

Watch our smoke because we are championship bound again this year. E.D.

"This Horc Civilization"

Eddie (a mountaineer) visiting town, saw for the first time, a bunch of bananas. "Want to try one Ed?" asked his friend Gus, after identifying the fruit for him. "No, I reckon not," Eddie answered. "I've so many tastes now, I kain't satisfy. I ain't aiming to take on any more."

IN SPRING A YOUNG MANS FANCY
TURNS TO THOUGHTS OF SPORTS
Say did you know spring was here?

You don't think so?

Well, now, that's bad. It's a secret but I'll tell you, because like most secrets, everyone knows about it but you. Haven't you seen us hunting earnestly for tennis rackets, and worrying about the way some people were treating the tennis court; busily sewing up baseballs and swinging bats and watching the bulletin board to see who can't play; and bemoan the way we growl about the mud and keep our weather eye peeled for clouds.

What does that mean? Say, where have you been all your life?

Oh, I see, well I guess maybe that accounts for it.

Well, it means spring is here and we're playing tennis and we are going to lick the socks off

of everybody that has the nerve to play baseball on the same field we do, that's what it means.

Well that wasn't our fault, they were bigger than we are. We sit down so much studying that we just didn't grow any better. And another thing, even the faculty are out playing with us.

Oh so it doesn't mean anything? Well, now you listen-Hey fellows, this guy says spring isn't here. Says it's going to rain like everything, and that we're just bragging.

No, no, don't do that, maybe I did exaggerate it a little. He was probably just kidding. But he better watch his step. We are not bragging but just keep your eye on us.

Oh, you don't think so? Maybe I don't sound convincing enough. Maybe this will help a little...

I thought you would change your mind. F.B.
